Striking Coal Miners in Tennessee Districts Resume Work

MINERS CLAIM GAINS FIELDS NON-UNIONISTS

Insists That Six Hundred Sixty-Five Thousand Men Are on Strike in the Country.

LEWIS SAYS REPORT FALSE

Denies That Hundred Thousand Non-Union Miners Have Joined the Strikers.

(By Associated Press)
NASHVILLE, April 13.—Miners of the Bon Air corporations, which operate mines at Bon Air, Ravenscroft, Eastland and Clifty Tennessee, are said to have all returned to work on the 1917 scale, with an agreement that whatever scale is adopted by the miners and operators in their negotiations will eventually be effective.

(By Associated Press)
INDIANAPOLIS, April 13.—Continued gains in the non-union coal fields are claimed by the United Mine Workers of America for a nation wide suspension of work in the coal industry, with the union's announcement that 665,000 miners are participating in the walkout.

(By Associated Press)
CHARLESTON, W. Va., April 13.—T. L. Lewis, secretary of the New River Operators Association, and the former president of the United Mine Workers, in a statement today characterized as "palpably absurd" the published statement to Philip Murray, international vice-president of the miners that 100,000 non-union miners have joined the strike.

ARBuckle CASE ENDS VERDICT ACQUITTAL

(By Associated Press)
SAN FRANCISCO, April 13.—The jury acquitted Roscoe Arbuckle after deliberating six minutes. The quick return caught the court unawares and a delay of several minutes followed until the district attorney returned to court. The verdict was received quietly, the court having warned against a demonstration. Arbuckle sighed, his wife wept and both shook hands with the jury.

The remaining charges of manslaughter against Arbuckle were dismissed today by the district attorney.

(By Associated Press)
United States District Attorney Williams said after a conference with G. V. McNab, Arbuckle's chief counsel, he understood that Arbuckle would plead guilty to the federal charge of unlawful possession of liquor growing out of the Hotel St. Francis party that was followed by the death of Virginia Rappe. The penalty for such an offense is a fine, the maximum being \$500.

SAN DIEGO OFFERS SITE FOR HOSPITAL

(By Associated Press)
SAN DIEGO, April 13.—Offer of a 200-acre tract of land near here to the government as a site for the proposed \$2,500,000 federal tuberculosis hospital, was sent recently to congress by the local chamber of commerce, upon receipt of advice from Phil D. Swing, congressman from this district, that the government contemplates building the hospital in this locality.

FIGHT STARTS IN SENATE ON TARIFF BILL

Democrats Launch Assault on Measure Which Is Up Today for Consideration.

(By Associated Press)
WASHINGTON, April 13.—The administration tariff bill pending in the senate was assailed today by Senator Simmons of North Carolina, ranking democrat of the senate finance committee, as "the most un-American bill ever framed." "Even a cursory examination indicates it is the highest tariff bill ever written," declared Simmons, who will lead the minority fight on the measure in the senate. "The tariff is more unsuited to present conditions if we are to participate in world trade, and it should not have been framed."

Little Park Montague Is Bitten by Canine

Park, the 9-year-old son of Mr. and Mrs. J. T. Montague, was bitten on the right leg this morning by a dog. The animal pounced on him unawares. In view of the fact that canines are subject to the rabies, the boy's wounds were cauterized immediately and his condition will be watched to determine if it becomes necessary to have him take the Pasteur treatment.

PRESIDENTS OF LARGE BUSINESS PLAN MEETINGS

Associated Advertising Clubs Would Include Rotary and Other Organizations.

(By Associated Press)
MILWAUKEE, April 13.—A conference of presidents of important national and international business associations to discuss a coordination of efforts, is to be called here for next June by the president of Associated Advertising Clubs, Chas. Henry Mackintosh. The presidents, according to plans, would include those of the Rotary clubs, the National Dry Goods Association, the National Association of Clothiers, and similar bodies. Each would tell of plans of his association for the coming year, and would point out how it could assist the others. Instructions to issue the call were given by the executive committee of the Associated Advertising Clubs.

Crops Cannot Be Harvested in Time to Prevent Greatest Calamity History Nation.

(By Associated Press)
GENEVA, April 13.—Between six and seven million Russians will have died of famine before the next crops are harvested, according to a report received from Captain Quisting, representing the international relief organization headed by Dr. Fridtjof Nansen.

Yuba County Heavy Gold Producing County

(By Associated Press)
MARYSVILLE, Calif., April 13.—Yuba county produces more gold than any other county in the state, according to the current bulletin of the state mining bureau. Gold production in this district amounted to more than \$3,000,000 annually for the past three years.

Iridium and platinum are also produced to some extent by the gold dredgers on the rivers in this county.

BROTHER MRS. GRANT DIES AT DOUGLAS

Mrs. J. D. Grant received the sad intelligence last evening that her brother, Daniel Grant, had succumbed to an attack of the flu at Douglas, Ariz., where he had been sent from his home at Warren, to receive medical treatment. Deceased was 45 years of age and had been a resident of Warren for many years, having gone there from Aspen, Colo., where he had been identified with the mines of that section. In addition to Mrs. Grant he is survived by an aged mother and a sister residing at Bisbee. He had never lived in Tonopah. Mrs. Grant will leave here Saturday morning for that town, and pending her arrival no arrangements will be made for the funeral.

WILLIE BRYAN TOLD MIND OWN BUSINESS

(By Associated Press)
MADISON, April 13.—The demand of William J. Bryan, made in a letter recently, that President E. A. Birge, of the University of Wisconsin, state his views on certain religious doctrines for the benefit of the "taxpayers" of Wisconsin, was answered today by Birge with the statement he did not believe the taxpayers "have now designated any chautauqua lecturer from Florida to start a theological grand jury of this kind in their name."

DRIVERS RELIEF WAGONS RUSSIA ARE MURDERED

Famished Populace Take the Horses for Food, According to the Reports.

(By Associated Press)
PARIS, April 13.—A number of American drivers of relief wagons in Russia have been killed in the streets by the famished populace, who seized their horses for food, according to reports received today by the American relief organizations in Paris from Ufa, Bashkir and the Tchylabut famine districts. Two drivers for the American relief administration were killed this week, the report said.

Several other employees of the relief administration, fearing for their lives, have quit their posts, the report added. Danger has become so great it is no longer safe to venture into the streets. People are being killed every day, it was said, and natives, maddened from starvation, strip the clothes from the bodies of their victims. The reports said the people are eating bark, roots, hides, dogs, cats and even human flesh.

It was announced today by Warden Johnston. The three men captured were William S. Segee of Los Angeles; Fred Turner of San Luis Obispo and Lee Renfro of San Diego. The fourth man, Douglas Griffin of Los Angeles, is believed to be still in Marin county.

MIDWAY VALUES NOT ANNOUNCED AS PUBLISHED

Management Endeavoring to Prove Extent of Discovery From the Great Fault

The extent of the mineral find on the 1200 level of the Tonopah Midway has not been determined. Upon instructions from George H. Garry, consulting geologist for the company, an attempt is being made to determine the extent of the find, and the management is starting drifts from the fault. The richness and magnitude of the vein has not and cannot be determined until the work progresses farther, and assays can be secured that will return almost any figure desired. However, more development is necessary, reports to the contrary notwithstanding, although the showing is reported as being quite favorable.

"ROUND WORLD" AVIATOR DIES BY ACCIDENT

Sir Ross Smith, Australian, Who Was to Start Flight April 21, Killed in Crash.

ENGINEER ALSO MEETS DEATH

Machine Had Just Been Turned Over by Builders After a Demonstration Flight.

(By Associated Press)
LONDON, April 13.—Sir Ross Smith, Australian aviator who, with his brother, Sir Keith, had planned to start from Croydon on April 25, on a flight around the world, was killed today when his plane crashed in a practice flight at Brooklands. Lieutenant Bennett, engineer, who was planning to accompany the brothers on the "around-world" flight, was also killed.

The machine which crashed was one of Smith's intended for use in the flight. Captain Conkerill of the Vickers company, had previously flown it for half an hour and then handed it over to Captain Smith. As the machine approached the air-drome to land it got into a spin, and the crash followed.

RUSS GENERAL MUST FURNISH ANOTHER BOND

While Officers Are Searching for Him His Aide Is Arrested as a Gun Toter.

(By Associated Press)
NEW YORK, April 13.—While deputy sheriffs were hunting for General Gregorie Semenov, former aide of the Cossacks, to furnish a new bond in the bankruptcy proceedings against him, his aide, George Kroupsky, former district attorney at Petrograd, was arrested at Broadway and Chambers street, charged with carrying a pistol without permission.

SYSTEM OF LIQUOR SALES IS UNEARTHED

(By Associated Press)
SAN FRANCISCO, April 13.—A complete system for distributing liquor throughout California, with six traveling salesmen, three of them women, and a sales list of 400 names, including some of the most prominent citizens of San Francisco, has been uncovered in the arrest yesterday here of M. N. Cosulich, it was announced today by Samuel F. Rutter, prohibition director for California. The names include many well known attorneys and business men, according to Rutter. In addition to clubs and cafes, salesmen carried sample cases containing 4-ounce vials of liquor that Cosulich had for sale, he said.

EAGLE GROUP IS PURCHASED BY CLENDENIN

Local Residents Interested and Operations Will Start During the Coming Week.

The Eagle group of four claims, situated six miles north of Royston on the Republic road, has been purchased by W. P. Clendenin and associates from J. P. Sparks of Tonopah, and development will be instituted early the coming week with a force of two men.

This property has been developed by sinking a vertical shaft 120 feet deep, a second shaft 60 feet and an incline shaft 60 feet, and several carloads of ore were shipped during recent years that returns values of about \$60 a ton, with gold and silver contents being about equally divided. There is also a tunnel on the property that was driven 200 feet, in addition to a number of open cuts.

Mr. Clendenin stated this morning that a company is later to be incorporated to take over the holdings.

The property is reported as showing good reserves of ore which can now be profitably handled owing to the lower cost of mining and the reduced transportation charges.

FLATLY REJECT MIXED TRIBUNAL ADJUST CAUSES

Consider This Method as an Infringement Upon Sovereignty of That Nation.

LENINE TO ATTEND MEETINGS

Will Insist That Russia Be Indemnified for Damages Wrought by Revolvers.

(By Associated Press)
LONDON, April 13.—Russians at Genoa will give all financial guarantees demanded in the program prepared by the allied experts, but flatly refuse to accept the clause providing for mixed tribunals to fix responsibility, says a Genoa dispatch to the Exchange Telegraph. The Russians consider the tribunal clause an infringement of Russian sovereignty.

(By Associated Press)
GENOA, April 13.—Nikolai Lenin, soviet premier, will come to Genoa to replace George Chicherin as the head of the Russian delegation when negotiations at the economic conference reach the proper stage, says the newspaper Secolo. Two currents of opinion seem to have arisen in the Russian delegation here. One is absolutely intransigent in favoring the proposals in the report of the allied experts. The other favors acceptance of the report as a basis of discussion on the following fundamental points: First, liberty of commerce to be insured to foreigners; second, granting of judicial guarantees; third, acknowledgment of debts accrued by Russia under the czarist government if the allies are ready to indemnify Russia for damages suffered from the Kolchak, Denikine and Wrangel armies.

(By Associated Press)
GENOA, April 13.—While rumors of a sensational nature are flying quickly about the conference circles, most of them are being promptly disavowed. One fact that appeared to stand out in a somewhat clouded atmosphere, was that neither the disarmament nor reparations questions would be brought up for specific action against the opposition of the French delegation.

Cleanup Days Put Over.

Cleanup days which were scheduled for the 11th, 12th and 13th of this month, were postponed until the 20th, 21st and 22nd, by Chief of Police Smith, owing to the uncertainty of the weather. All residents are requested to rake up the rubbish in their yard and have same placed in a convenient pile so that teams and wagons may haul the same away.
